

# Join the REVOLUTION

acl

## WELCOME TO THE NEW WORLD OF ACL

You're part of a global community of the world's most sought-after audit, risk and compliance professionals.

ACL will be here to support you throughout your journey and we encourage you to take advantage of all the resources available to you.

### ACL Academy

Free online training courses and videos that help you tackle common business challenges. Take a short refresher course and learn at your own pace. Sustain knowledge through rotational teams.

### Support Center

Access our extensive knowledgebase, find a help article, submit a support ticket, network with peers on the User Forum and more!

### ACL Support Services

Need assistance?  
Our world-class Support staff is available at support@acl.com | 1.866.704.0581 | + 800 000 19999

### User Groups

Learn from other ACL users in your area by joining one of 45 global user groups.  
(acl.com/usergroups)

### ACDA

#### ACL Certified Data Analyst Designation

The industry standard for technical proficiency and professional expertise in using ACL Analytics data analysis software.  
(ACL.com/acda)

### ACL Impact Awards

Our annual awards program recognizes the outstanding achievements of customers who have made a significant, positive impact on business processes and operations through the use of ACL technology.

### ScriptHub

Accelerate your data analysis efforts with a growing library of over 120 pre-built best practice scripts.

### User Management and Software Access

Manage users and their software access, through an administrative settings panel, in face of churn and staffing rotations.

### Access the Latest Software

Download the latest version of your software - Analytics, AuditExchange, Add-in for Excel.  
Access ACL GRC.

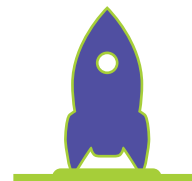

### ACL Connections

ACL's annual customer conference is not to be missed! Join us in Miami, FL October 2015 for 4 days of networking, training and inspiring sessions led by some of the world's most accomplished ACL users.  
(acl.com/connections)

### Results Cloud

Tell a more compelling story. Share powerful analytic results and interactive data visualizations through the cloud for collaborative investigation, exception remediation, and intuitive interpretations with beautiful charts and graphs.

## ACL Launchpad

Your ACL experience begins here, through your central login hub
