

 DataConsulting

TURNING
DATA
INTO
DECISIONS

Robin Clough
Managing Director

“

WE HAVE BEEN HELPING ORGANISATIONS MAKE SENSE OF THEIR DATA SINCE 2007. WE WORK WITH ORGANISATIONS OF ALL SIZES, FROM FTSE 100 COMPANIES AND NATIONAL GOVERNMENT DEPARTMENTS TO SMEs. REGARDLESS OF SIZE, INSIGHTFUL DATA ANALYSIS CAN LEAD TO MULTIPLE BENEFITS SUCH AS INCREASED PROFITABILITY AND GROWTH. BUT IT TAKES SKILL AND EXPERIENCE TO TURN DATA INTO SOMETHING MEANINGFUL. OUR DATA ANALYSTS WILL HELP YOU DISCOVER THE BEAUTY HIDDEN IN YOUR DATA.”

"Data doesn't have to be big.
Whatever your size, we provide the same excellent service."

WE ARE:

Experts

we focus solely on data and data analytic solutions.

Engaging

we are open, interested and full of personality.

Inspirational

we are always learning new skills and looking for new ideas to share.

Resourceful

we work hard to make sure we always get the job done.

Valuable

we are a recognised asset to our clients and their team.

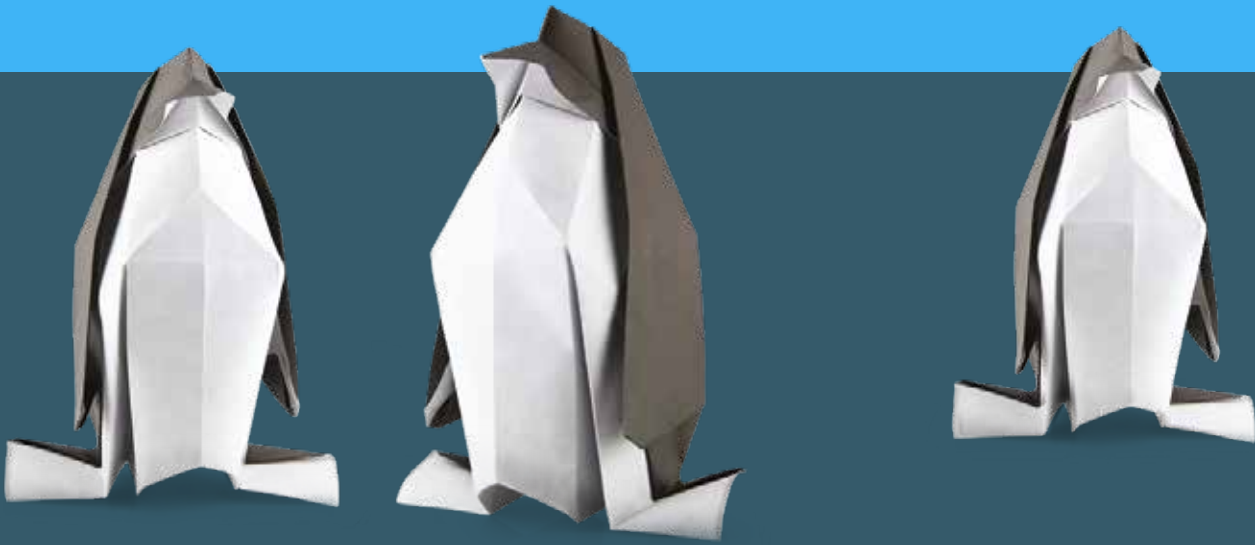

“

I WOULD RECOMMEND DATACONSULTING FOR BOTH TRAINING AND CONSULTANCY. I REALLY VALUE THE RELATIONSHIPS BUILT WITH INDIVIDUALS WORKING AT DATACONSULTING.”

Adam McIntosh

Senior Compliance Analyst at Baillie Gifford

HOW WE WORK?

We dedicate a consultant to you who will get to know you, your company, your data and your values.

CONSULTANCY

We are experts using a variety of analysis tools including: SQL, Python, R, ACL, Tableau, Power BI and Excel, to name a few. Our knowledgeable consultants will set out the facts, talk through the options and come up with a solution that works for you.

Data analytics partner

Flexibly co-source or out-source your data analytics needs to us. We provide the expertise and muscle allowing you to focus on key business decisions.

Complex problems with elegant solutions

We live and breathe data and can help provide answers to questions you didn't even think of asking.

Strategic reviews

Our experts will work with you to discuss your long-term data plans, assess your requirements and create a plan for you to follow.

Project fulfilment

Working on your premises or remotely, our consultants can take on full project responsibility and ownership, from start to finish.

Advice and guidance
from experienced
professionals.

TRAINING

We recognise that training and continuous development is essential for your team to do their job properly. Our certified trainers are with you every step of the way so you complete the course energised and full of confidence.

Training options

Public classroom sessions

Run in both Central London and our Wakefield office. Working alongside industry peers, a classroom course is the perfect option to train 1-3 members of your team.

Onsite

Ideal for training 4+ members of your team. We can visit your premises for a more flexible course that can be tailored to your specific needs and even use your own data.

You will take to it like
a duck to water

“

IAN WAS BRILLIANT; HE CLEARLY HAS A GREAT WEALTH OF KNOWLEDGE, HE IS OPEN, HONEST AND VERY GENUINE, ANSWERING EVERY QUESTION IN A POSITIVE AND ENCOURAGING WAY. IAN COULD WELL BE THE BEST TRAINER I HAVE EVER ENCOUNTERED.”

Peter Luckhurst

Financial Services Auditor, NFU Mutual

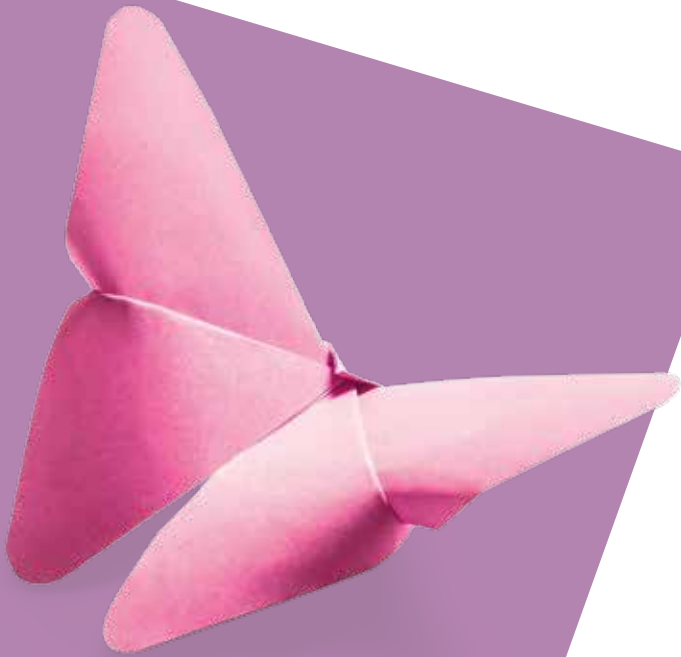

ABOUT

Established initially to help auditing departments get more insight from their data we have grown rapidly in recent years to cover a range of data analytics requirements. Our expanded team has a diverse and competitive skill set, and we all live and breathe data.

We are naturally inquisitive, with an eye for detail and a desire to uncover the big picture that's hidden within it.

We grow long term relationships with our clients who value our friendly, open and honest approach.

“

YOU HAVE DATA,
YOU HAVE QUESTIONS – WE HAVE ANSWERS.”

Robin Clough
